BUSINESS SERVICES

IN PERSON · ONLINE · OVER THE PHONE

Card Payments

Faster, fairer ways to take payment.

As an approved Worldpay partner, we check what you pay now and set you up with the right way for your customers to pay you.

- **Your fees checked** before you change
- **Take payment anywhere**: in person, online or by link
- **Money in the bank** the next business day

APPROVED WORLDPAY PARTNER

Take payment the way your customers want to pay.

Card fees are easy to ignore and hard to understand. We start by checking what you pay now, then set you up with the right mix of terminals, online payments, phone payments and payment links for your business.

In person **Online** **Over the phone** **By link or QR code**

Rates benchmarked

We compare your current fees from a recent statement.

Built around you

How and where your customers actually pay.

Honest advice

Even when the answer is to stay where you are.

HOW DO YOUR CUSTOMERS PAY?

We set you up for the ways that matter to you:

At the counter
Card terminals for shops, salons, cafes and reception desks.

On your website
An online checkout that works with your shop platform.

No website yet
A mini storefront you can set up in minutes, with no code.

Over the phone
Take a card payment safely while you're on the call.

By invoice
Invoices with a card payment link built in, so you're paid faster.

On social media
Share a payment link or QR code wherever your customers are.

WHAT YOU GET

Everything you need to get paid.

Your fees checked first

Send us a recent card statement and we benchmark your rates before you change anything.

Card terminals

Take card and contactless payments in person, at the counter or on the move.

Online checkout

A checkout that sits in your website and keeps your brand, with ready made plugins.

Payment links

Send a secure link by email, text, WhatsApp, social media or a QR code.

Phone payments

A virtual terminal so you can take card payments over the phone.

Next business day money

Payments settled into your bank the next business day to help your cash flow.

ACCEPT ALL MAJOR CARDS AND WALLETS

Let customers pay how they like.

Visa · Mastercard · American Express · Apple Pay · Google Pay

SELL EVERYWHERE

Turn every conversation into a sale.

Payment links let you take payment wherever you're talking to customers. Create a link for one item, a bundle or a custom amount, and share it in seconds.

Share a link anywhere

By email, text, WhatsApp, Facebook, Instagram, LinkedIn or a QR code.

Invoices that get paid

Send invoices with a card payment link built in, so customers can pay straight away.

A shop without a website

Set up a mini storefront in minutes, with no code and no developer.

Your brand throughout

Add your logo, colours and messaging to links and storefronts.

ALREADY HAVE AN ONLINE SHOP?

Ready made plugins

Add the checkout to your shop without starting again. Card payments, wallets and subscriptions, all in one place.

Shopify **WooCommerce** **Adobe Commerce** **OpenCart**

SAFE AND SIMPLE

Protected payments, and one place to see them.

Fraud screening

AI driven checks that spot fraudulent payments before they cost you.

Secure authentication

3D Secure checks that protect you without slowing customers down.

One dashboard

Track sales, payments and refunds, and see your insights in one place.

Support when you need it

24/7 support from Worldpay, plus a real person at Kee.

SECURITY STANDARDS

PCI DSS Level 1

The highest level of the card industry's security standard, so your customers' card details are protected.
