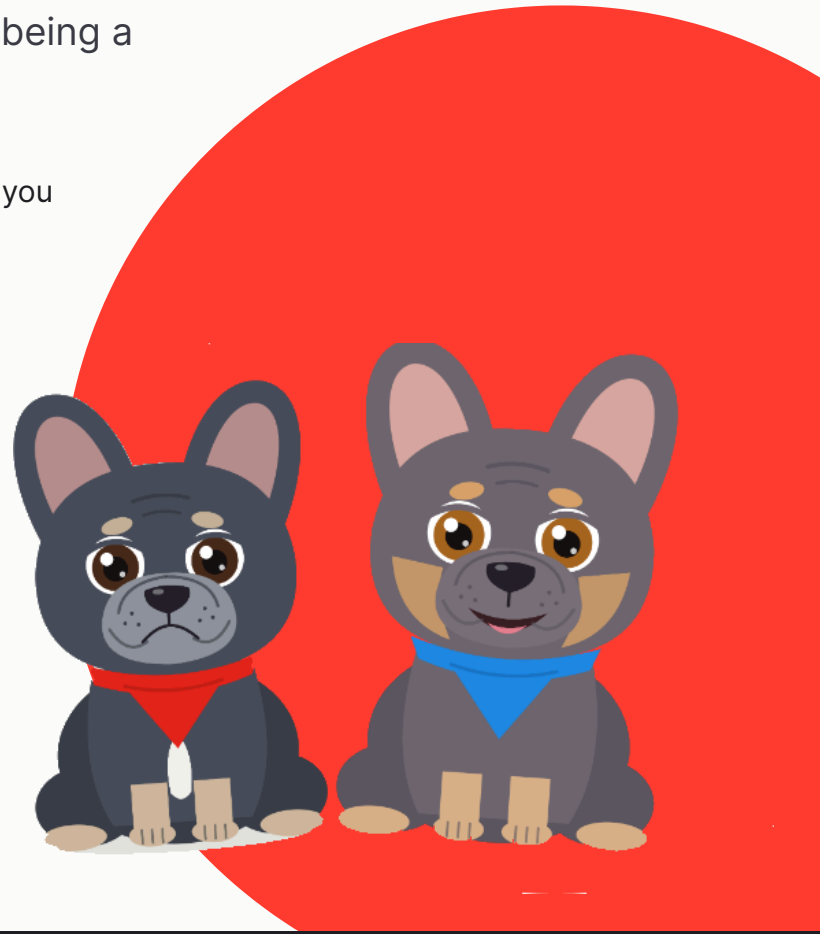
Business Energy

Buy energy smarter, and stay on top of it.

We compare a wide panel of suppliers, buy at the right time and look after your contracts, bills and renewals, so energy stops being a headache.

- **A wide panel of suppliers**, compared for you
- **Fixed or flexible**, whichever suits you
- **Contracts and renewals** looked after



NOT TIED TO ONE SUPPLIER

The right energy contract, at the right time.

Energy prices change every day. Going direct gets you one supplier's price. We compare suppliers across the market, look at your usage and budget, and recommend when and how to buy.

Market compared

A wide panel of suppliers, side by side.

Built around you

Your usage, sites and budget cycle.

Honest advice

Including when to wait before you buy.

WHAT MATTERS MOST TO YOU?

We build your energy strategy around it:

Budget certainty
Fixed prices so you know what you'll pay.

Riding the market
Flexible buying spread across many trades.

Going green
Renewable electricity and green gas options.

Lots of sites
Every meter and contract managed in one place.

Accurate bills
Every bill checked against your contract.

Reporting
Carbon and energy reports for ESG and compliance.

WHAT YOU GET

Everything you need from your energy.

Electricity and gas

Fixed, flexible and green contracts from a wide panel of suppliers.

Water

Business water compared and switched too.

Flexible buying

Purchasing spread across the market to manage risk, with the option to fix.

Bill validation

Every bill checked against your contract, so you only pay what you should.

Contracts and renewals

We track your end dates and start renewals early, so you're never rolled over.

Carbon and ESG reporting

Energy and carbon data for your reporting and net zero plans.

WE CAN ALSO HELP WITH

Reporting, metering and site support.

- Smart meters
- Half hourly reporting
- Energy audits
- Tenant recharge
- Meter operator contracts

FIXED OR FLEXIBLE?

Buy energy the way that suits your business.

There's no one right answer. We look at your usage, how much risk you're comfortable with and your budget cycle, then recommend the right way to buy.

Fixed contracts

One agreed price for the term, so you know exactly what you'll pay.

Flexible buying

Purchases spread across many trades to smooth out market swings.

Green energy

Renewable electricity and green gas to support your net zero goals.

Switching handled

We manage the switch with the suppliers, with no break in supply.

FREE ENERGY HEALTH CHECK

See where you stand today

We review your current contracts, rates and usage, and tell you honestly what could be better. No obligation.

WHY USE KEE

One partner for all your energy.

One point of contact

A real person at Kee who knows your sites and contracts.

Wider market

Suppliers compared for you, not one price from one supplier.

Open about how we're paid

Any commission is included in your rates, and we'll tell you what it is.

Joined up savings

We already help with phones, mobiles and costs, so we see the full picture.

HOW IT WORKS

1. **Upload your bill**
   Send us a recent energy bill and your contract end date.
2. **We review your usage**
   We look at your sites, meters and how you use energy.
3. **Compare and choose**
   We compare suppliers and recommend the right contract.
4. **We manage it**
   Switch, bills and renewals looked after from then on.

Kee Business Services is an Energy Ombudsman registered broker. We may receive a commission from the energy supplier, which is included in your rates. We'll always tell you what it is before you sign.
