Kee BUSINESS SERVICES

PRODUCT SHEET

Business Energy

Electricity, gas and water from a wide panel of suppliers, fixed or flexible, with bill validation, renewals and carbon reporting looked after by Kee.

WHAT YOU GET

Electricity and gas
Fixed, flexible and green contracts from a wide panel of suppliers.

Water
Business water compared and switched too.

Flexible buying
Purchasing spread across the market to manage risk, with the option to fix.

Bill validation
Every bill checked against your contract, so you only pay what you should.

Contracts and renewals
We track your end dates and start renewals early, so you're never rolled over.

Carbon and ESG reporting
Energy and carbon data for your reporting and net zero plans.

WHAT MATTERS MOST TO YOU?

Budget certainty
Fixed prices so you know what you'll pay.

Riding the market
Flexible buying spread across many trades.

Going green
Renewable electricity and green gas options.

Lots of sites
Every meter and contract managed in one place.

Accurate bills
Every bill checked against your contract.

Reporting
Carbon and energy reports for ESG and compliance.

FIXED OR FLEXIBLE?

Fixed contracts
One agreed price for the term, so you know exactly what you'll pay.

Flexible buying
Purchases spread across many trades to smooth out market swings.

Green energy
Renewable electricity and green gas to support your net zero goals.

Switching handled
We manage the switch with the suppliers, with no break in supply.
