Business Finance

The right funding, without the runaround.

We work with a panel of specialist lenders and corporate finance partners, so we can find the right funding for what your business needs next.

- **Every type of business finance**, in one place
- **One point of contact** from start to finish
- **Honest about what fits**, with no obligation

NOT TIED TO ONE LENDER

Funding for whatever your business needs next.

Banks only offer their own products. We work with specialist lenders and finance partners, so we can look at every option and find the one that fits your business, not the other way round.

Cash flow **Equipment** **Vehicles** **Property** **Growth**

Specialist partners

Lenders and experts for every kind of funding.

Built around you

What the money is for and what you can afford.

Honest advice

Even when the answer is to wait.

WHAT DO YOU NEED FUNDING FOR?

We can help with all of these, and more:

Smoothing cash flow
Cover the gap while you wait for customers to pay.

New equipment
Machinery, technology and kit, paid monthly.

Vans and vehicles
Fleet, vans and company cars on lease or hire purchase.

Property projects
Buying, developing or refinancing commercial property.

Going green
Solar panels, LED lighting and EV charging points.

Growing or buying
Funding to grow, or to buy another business.

WHAT WE CAN HELP WITH

Every type of business finance.

Business loans

Funding for working capital, cash flow or spreading a big cost like a tax bill.

Invoice finance

Get paid against your unpaid invoices instead of waiting 30 to 120 days.

Equipment finance

Spread the cost of machinery and technology into fixed monthly payments.

Vehicle finance

Leasing and hire purchase for vans, fleet and company cars.

Merchant cash advance

Funding you repay as a share of your card takings, so it flexes with your sales.

Property and development

Development finance, bridging and releasing equity from property you own.

WE CAN ALSO HELP WITH

Going green, selling on finance and grants.

Green energy finance · Finance for your customers · Grant funding

GROW, BUY OR SELL

Corporate finance for the big decisions.

When you're planning to grow, buy another business or step back from yours, our corporate finance partners work with you from the first conversation through to completion.

Raising finance to grow

Funding and investment for growth, acquisitions and big plans.

Buying a business

From finding and assessing targets through to negotiation and completion.

Selling your business

Preparing for sale, getting the best value and finding the right buyer.

Succession and ownership

Succession planning, management buyouts and employee ownership trusts.

NEED A FINANCE TEAM?

WHY USE KEE

One partner, every option.

One point of contact

You talk to Kee. We find the right specialist and stay with you.

Specialist partners

A panel of lenders and corporate finance experts, not one bank.

No obligation

The first conversation is free, and you're never pushed into anything.

Joined up thinking

We already help with your phones, energy and costs, so we see the full picture.

HOW IT WORKS

1. **Tell us what you need**
   Book a call or email us with what the funding is for.
2. **We find the right partner**
   We match you with the specialist best placed to help.
3. **Compare your options**
   You see what's available and choose what suits you.
4. **Get funded**
   We stay your point of contact through to completion.

Kee Business Services is not a lender and does not give financial advice. We introduce businesses to specialist finance and advisory partners, who may pay us a commission or fee. All finance is subject to status and approval by the lender.
