WHAT WE DO

Fleet management
Day to day management of your vehicles, with benchmarking and a 24 hour helpline, to improve productivity and control costs.

Vehicle procurement
Vehicles sourced through a network of dealers and manufacturers, on hire purchase, finance lease or contract hire, and delivered to you.

Fuel cards
A discounted fuel card to manage and control fleet fuel spend.

Servicing and repairs
Discounted servicing, maintenance and repair, with warranty work scheduled alongside routine visits to cut time off the road.

Accident management
Round the clock support for fault and non fault accidents, approved repairers, mobile repairs and a portal showing accident trends.

Telematics and tracking
Installation, data and support to show how your fleet performs and where to improve.

ACCIDENT MANAGEMENT

Every day of the year
Support for fault and non fault accidents.

Mobile repairs
Repairs on site where possible.

Approved repairers
Agreed labour rates and part discounts.

Accident data
See trends and reduce risk.
