WHAT'S INCLUDED

Your fees checked first
Send us a recent card statement and we benchmark your rates before you change anything.

Online checkout
A checkout that sits in your website and keeps your brand, with ready made plugins.

Phone payments
A virtual terminal so you can take card payments over the phone.

Card terminals
Take card and contactless payments in person, at the counter or on the move.

Payment links
Send a secure link by email, text, WhatsApp, social media or a QR code.

Next business day money
Payments settled into your bank the next business day to help your cash flow.

SAFE AND SIMPLE

Fraud screening
AI driven checks that spot fraudulent payments before they cost you.

One dashboard
Track sales, payments and refunds, and see your insights in one place.

Secure authentication
3D Secure checks that protect you without slowing customers down.

Support when you need it
24/7 support from Worldpay, plus a real person at Kee.

FREQUENTLY ASKED QUESTIONS

Your questions answered

What will it cost?
It depends on your card mix and how much you take. Send us a recent statement and we'll show you exactly what you'd pay, in writing.

Do I need a website to take payments online?
No. Payment links, invoices and a mini storefront let you sell online without one.

Can I take payments over the phone?
Yes. A virtual terminal lets you take card payments safely while you're on the call.

Which cards can I accept?
All major cards and digital wallets, including Visa, Mastercard, American Express, Apple Pay and Google Pay.

When do I get my money?
Payments are settled into your bank account the next business day.

Is it secure?
Yes. Fraud screening, 3D Secure authentication and PCI DSS Level 1 security standards are built in.

Does it work with my online shop?
There are ready made plugins for Shopify, WooCommerce, Adobe Commerce and OpenCart.

How do we get started?
Upload your latest card statement, email us or book a call, and we'll benchmark your rates for you.
