PRODUCT SHEET

Card Payments

From an approved Worldpay partner: card terminals, online checkout, phone payments and payment links, with next business day settlement and your current fees benchmarked first.

CORE FEATURES

Your fees checked first
Send us a recent card statement and we benchmark your rates before you change anything.

Card terminals
Take card and contactless payments in person, at the counter or on the move.

Online checkout
A checkout that sits in your website and keeps your brand, with ready made plugins.

Payment links
Send a secure link by email, text, WhatsApp, social media or a QR code.

Phone payments
A virtual terminal so you can take card payments over the phone.

Next business day money
Payments settled into your bank the next business day to help your cash flow.

HOWEVER YOUR CUSTOMERS PAY

At the counter
Card terminals for shops, salons, cafes and reception desks.

On your website
An online checkout that works with your shop platform.

No website yet
A mini storefront you can set up in minutes, with no code.

Over the phone
Take a card payment safely while you're on the call.

By invoice
Invoices with a card payment link built in, so you're paid faster.

On social media
Share a payment link or QR code wherever your customers are.

SAFE AND SIMPLE

Fraud screening
AI driven checks that spot fraudulent payments before they cost you.

Secure authentication
3D Secure checks that protect you without slowing customers down.

One dashboard
Track sales, payments and refunds, and see your insights in one place.

Support when you need it
24/7 support from Worldpay, plus a real person at Kee.
