BUSINESS SERVICES

YOUR FLEET, SORTED

Fleet Management

Everything your vehicles need, managed by one team.

From buying vehicles to servicing, accidents and fuel, we manage your fleet so your drivers stay on the road.

- **Lower running costs**
- **24 hour helpline**
- **One point of contact**

WHY FLEET MANAGEMENT

Running vehicles shouldn't run your business.

Servicing dates, MOTs, tyres, breakdowns, accidents, fuel bills and insurance renewals all take time to manage. Our fleet management service brings it all together, helping you cut costs, reduce downtime and stay on top of your duty of care.

Cut costs

Savings on servicing, fuel and more.

Less downtime

Faster repairs and support 24/7.

Stay compliant

Duty of care and driver safety.

WHO IT'S FOR

Fleet management is a smart move if you:

Run vans or cars
Any size of business fleet.

Lose time to admin
Servicing, MOTs and renewals.

Have off road vehicles
Downtime costing you jobs.

Pay full price
For servicing, tyres and fuel.

Have grey fleet
Staff using their own cars for work.

Worry about compliance
Duty of care for people who drive for work.

WHAT WE DO

Every part of your fleet, managed.

Fleet management

Day to day management of your vehicles, with benchmarking and a 24 hour helpline, to improve productivity and control costs.

Servicing and repairs

Discounted servicing, maintenance and repair, with warranty work scheduled alongside routine visits to cut time off the road.

Vehicle procurement

Vehicles sourced through a network of dealers and manufacturers, on hire purchase, finance lease or contract hire, and delivered to you.

Accident management

Round the clock support for fault and non fault accidents, approved repairers, mobile repairs and a portal showing accident trends.

Fuel cards

A discounted fuel card to manage and control fleet fuel spend.

Telematics and tracking

Installation, data and support to show how your fleet performs and where to improve.

AND MUCH MORE

Everything else your fleet needs.

Fleet insurance · Breakdown cover · Tyres · Windscreens · Vehicle hire · Wrapping and signs

ACCIDENT MANAGEMENT

When something goes wrong, we're there 24/7.

Accidents are handled round the clock, every day of the year. Vehicles are fixed on the spot where possible or recovered to an approved repairer, with mobile repairs, driver support and a data portal that shows where and how incidents happen.

Every day of the year

Support for fault and non fault accidents.

Approved repairers

Agreed labour rates and part discounts.

Mobile repairs

Repairs on site where possible.

Accident data

See trends and reduce risk.

DUTY OF CARE

Keeping your drivers safe and compliant

Duty of care packages, e learning linked to your own policies and grey fleet support help you manage the risks for everyone who drives for work, and reduce the chance of fines and penalties.
