PRODUCT SHEET

Fleet Management

Vehicle procurement, servicing and repairs, accident management, fuel cards, telematics, insurance and duty of care, all from one team.

WHAT WE DO

Fleet management
Day to day management of your vehicles, with benchmarking and a 24 hour helpline, to improve productivity and control costs.

Vehicle procurement
Vehicles sourced through a network of dealers and manufacturers, on hire purchase, finance lease or contract hire, and delivered to you.

Fuel cards
A discounted fuel card to manage and control fleet fuel spend.

Servicing and repairs
Discounted servicing, maintenance and repair, with warranty work scheduled alongside routine visits to cut time off the road.

Accident management
Round the clock support for fault and non fault accidents, approved repairers, mobile repairs and a portal showing accident trends.

Telematics and tracking
Installation, data and support to show how your fleet performs and where to improve.

WHO IT'S FOR

Run vans or cars
Any size of business fleet.

Lose time to admin
Servicing, MOTs and renewals.

Have off road vehicles
Downtime costing you jobs.

Pay full price
For servicing, tyres and fuel.

Have grey fleet
Staff using their own cars for work.

Worry about compliance
Duty of care for people who drive for work.

ACCIDENT MANAGEMENT

Every day of the year
Support for fault and non fault accidents.

Approved repairers
Agreed labour rates and part discounts.

Mobile repairs
Repairs on site where possible.

Accident data
See trends and reduce risk.

Upload your fleet list or current bills: wkf.ms/4juXFfs · From a few vans to large fleets
