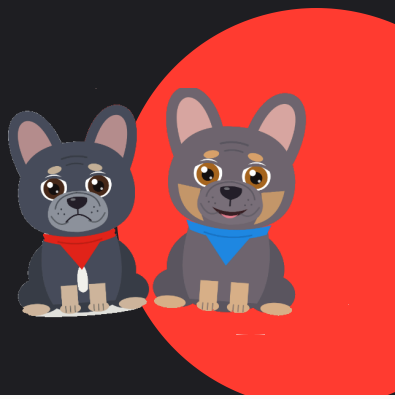
Kee BUSINESS SERVICES

PRODUCT SHEET

Hosted Phone System

A cloud business phone system with the Webex app for calls, chat and meetings. Pay per seat, all on one bill from Kee.



CORE FEATURES

Cloud calling
A full business phone system hosted for you. No phone system in your building, no big upfront cost.

One number anywhere
Calls reach your desk phone, laptop and mobile, and move between them without hanging up.

Business continuity
If the office is closed by snow, floods or power cuts, calls carry on wherever your team is.

Calls, chat and meetings
The Webex app brings HD voice and video calls, messaging and meetings together on desktop and mobile.

Professional call handling
Auto attendant menus, hunt groups, call queues, music on hold and voicemail to email.

Pay per seat
Add users as you grow, keep your numbers, and use local numbers wherever you are.

ADD-ONS

Call recording
Record some calls, all calls or on demand, for training, compliance and peace of mind.

Receptionist console
An on-screen console to manage busy reception desks and multiple sites.

Contact Centre
Upgrade to a full omnichannel contact centre for voice, email and webchat.

Call reporting & wallboards
Real-time stats, missed-call tracking and reports to see how calls are handled.

CRM & Outlook integration
Click to dial and caller pop-ups from Outlook and over 200 CRM systems.

Desk phones & headsets
A range of desk phones and headsets that work with your system.
