OFFICE INTERIORS

WORKSPACES THAT WORK

Office Furniture

From a single chair to a complete office refurbishment, planned and sourced for you.

Kee helps you plan and furnish your workspace, from the right chair for every day to a full refurbishment, with CAD layouts and honest advice.

- **Single chair** to full refurbishment
- **CAD design** and space planning
- **Many manufacturers**, one contact

Keeping promises. Keeping costs under control.

kbs.team · 0161 820 1000

WHY IT MATTERS

The right workspace helps your team do their best work.

Comfortable seating, a layout that makes sense and furniture that fits the way you work all make a real difference to productivity and wellbeing. We take the guesswork out of your interiors project, whatever its size.

Offices · **Schools** · **Healthcare** · **Professional services** · **Growing teams**

Space planning

CAD layouts that make the most of your space.

Comfort first

Advice on the right chair for daily use.

Compliance

Guidance on health and safety considerations.

WHO IT'S FOR

New office furniture is a smart move if you:

Are moving office
A new space to plan and furnish.

Are growing
More people, same space.

Have tired furniture
Worn chairs and mismatched desks.

Need better chairs
Comfort for long working days.

Want a refresh
A modern look for staff and visitors.

Work hybrid
Fewer desks, more meeting space.

WHAT WE SUPPLY

Everything for your workspace.

Desks and workstations
