Kee BUSINESS SERVICES

PRODUCT SHEET

Microsoft Teams Phone

Business calling inside the Teams app your team already uses. Keep your numbers, use any device, and get everything on one bill from Kee.

CORE SERVICE

Calls inside Teams
Make and receive business calls in the Teams app your team already uses for chat and meetings.

Call queues & auto attendants
Route callers to the right team or person, with your own menus, opening hours and caller ID.

Built for business
Built-in disaster recovery and business continuity planning, on a platform with 99.999% uptime.

Keep your numbers
We move your existing numbers across for you, so customers call the same numbers they always have.

Any device
Laptop, mobile app, web or a Teams-certified desk phone. Your number goes wherever you work.

One bill, one contact
Calling, devices and add-ons together on one bill, with Kee as your single point of contact.

ADD-ONS

Call recording & AI insights
Secure, compliant recording of every call, with transcription, AI summaries and sentiment.

Headsets & handsets
Teams-certified, plug-and-play devices from Yealink and HP Poly.

Professional services
Set-up, number porting, migration and hands-on training for admins and users.

Reporting & analytics
Real-time and historic call data, wallboards and missed-call reports that Teams doesn't give you.

Teams meeting rooms
Turn your meeting spaces into smart Teams rooms with room kits.

Compliance
Recording meets MiFID II and GDPR, with access controls and audit reporting.
