BUSINESS SERVICES

BUSINESS PHONE SYSTEMS

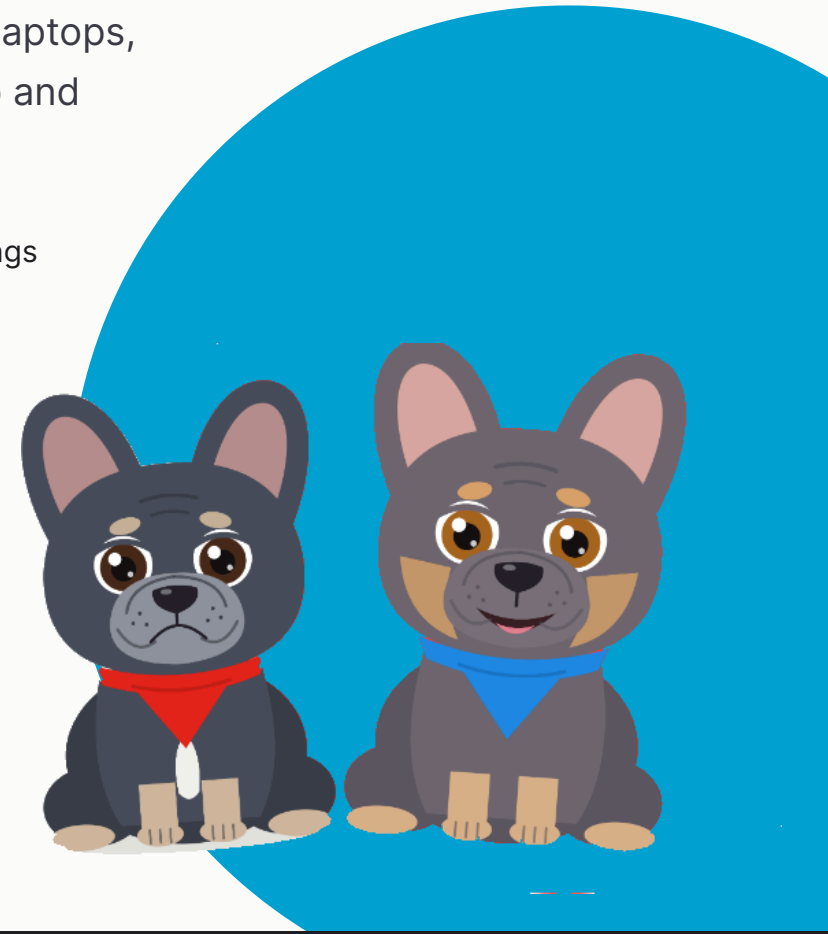
CALLS, MESSAGING AND MEETINGS

Webex Calling

Enterprise calling, messaging and meetings in one app.

Webex Calling gives your team a full cloud phone system with messaging and video meetings built in, on desk phones, laptops, mobiles and meeting rooms. Set up and looked after by Kee.

- **One app** for calls, messaging and meetings
- **Any device**: desk, laptop and mobile
- **Flexible terms** to suit you



WHY WEBEX CALLING

Built for businesses that need more than a phone line.

Webex Calling suits security conscious organisations, hybrid teams and multi site businesses that want the same experience at every desk, in every room and at every location. Start a call, share your screen and turn it into a meeting without switching apps.

Hybrid teams **Multi site** **Professional services** **Healthcare**

Customer service teams

Needs first

We map how your team really works.

Right package

Each user on the package they need.

Honest advice

Even if your current system is fine.

EVERY WAY YOUR TEAM WORKS

One platform for every person and every space:

Desk users
Full calling on a desk phone and the Webex app.

Home and hybrid
Your business number on laptop and mobile.

Shared spaces
Simple phones for receptions, warehouses and corridors.

Meeting rooms
Video bars and room systems that join with one touch.

Customer teams
Queues, screen pop and supervisor tools.

Reception
An attendant console for busy front desks.

WHAT YOU GET

Everything in one platform.

Enterprise calling

Hold, transfer, conference, call park, pickup, hunt groups and queues.

Messaging

Direct and group spaces, threads, file sharing and presence.

Video meetings

HD meetings with breakout sessions, from a quick call to a full meeting.

AI that helps

Noise removal, transcripts, meeting summaries and Catch Me Up.

Enterprise security

Secure guest access and admin controls to keep your data safe.

Works with your tools

Outlook, Microsoft and Google calendars, OneDrive and Slack.

SIX PACKAGES

Pay only for what each person needs.

Common Area · **Webex Voice** · **Webex Calling** · **Webex Suite** · **Webex CX Essentials** · **Webex Meetings**

PACKAGES

A package for every person.

Mix packages across your business, so a warehouse phone and a director each get exactly what they need.

Common Area and Webex Voice

Common Area for shared phones with dial tone, hold and transfer. Webex Voice adds the app, presence, call recording and queues.

Webex Calling

Everything in Webex Voice plus call park and pickup, executive assistant, messaging and meetings for up to 100.

Webex Suite and Meetings

Suite adds meetings for up to 1,000, cloud recording, transcription and Slido. Meetings is for people who mainly meet, not call.

Webex CX Essentials

For customer service teams: agent and supervisor tools, screen pop, live queue view and agent monitoring.

DEVICES

Phones and rooms that just work

Choose from Cisco 9800 series and MPP desk phones, Poly and Yealink handsets, DECT cordless phones, conference phones, headsets and Cisco video bars for meeting rooms. Longer terms can help fund your handsets.

WHY USE KEE

Enterprise tools with a personal service.

One point of contact

A real person at Kee from survey to go live.

Keep your numbers

We move your existing numbers across for you.

Flexible terms

Monthly rolling, or fix for 3 or 5 years.

Grows with you

Add users, sites and rooms whenever you need.

HOW IT WORKS

1. **Tell us how you work**
   Upload a bill or book a call.
2. **We design it**
   The right package for each user and space.
3. **We set it up**
   Numbers moved, phones and app configured.
4. **We look after it**
   Training, changes and support from Kee.

GETTING STARTED

Three easy ways to get started.

Upload your phone bill

Use our secure form: **wkf.ms/4juXFfs**

Email us

WHY KEE

One partner for the way your team talks.

- **A real person** who knows your account, whenever you call.
- **Honest advice**, even when the answer is to stay put.
- **Every user on the right package**, so you never pay for features you don't use.
- **We take ownership**: if something's not right, we chase it until it is.
